THE LARGEST ARCHIVE ON POUR IN AUSTRALIA

Back in 2012, we partnered with the Scotch Malt Whisky Society (SMWS) to offer members and non-members a taste of the incredible single cask whiskies the society bottles. Since then, demand for these whiskies has grown and our archive of SMWS bottlings is now available for you to try upstairs at the Melbourne Whisky Room. Over the coming years, this will be added to and drawn upon for special society events and tastings. Whisky & Alement serves the most recent Outturn (monthly release) from the society, and a full archive of over 50 SMWS whiskies is available upstairs at Melbourne Whisky Room on Friday and Saturday evenings. We hope you enjoy a taste of this well selected single cask single malt whisky ordinarily only reserved for members.

THE NEVER ENDING CASK

The Never Ending Cask is a collaboration between The Scotch Malt Whisky Society and Whisky & Alement that allows whisky enthusiasts to try a dram directly from the barrel. This is a unique experience and unlike any bottled whisky.

The initial fill was from a single Islay distillery. It has been finished in our 20 litre sherry cask for a number of months and comes to you as a cask strength blended malt.

Please take time with this dram as it needs a considerable amount to breath. Some cask sediment may appear in your dram, this is completely normal and no cause for alarm.
