## **SHERRY & OTHER FAMOUS FORTIFIEDS**

Fortified wine and whisky have had a very long relationship, casks that previously held Sherry, Port and other styles of wine have been used to mature whisky in Ireland, Scotland, and even locally, here in Australia.

Here, at Whisky and Alement, we try and support the Sherry industry as much as we can, and we also enjoy pairing this style of wine with a whisky to complement the wine. Please enjoy a Sherry and Whisky pairing.
