THE LARGEST ARCHIVE ON POUR IN AUSTRALIA

Since 2012, Whisky & Alement have worked closely as a partner bar of the Scotch Malt Whisky Society. We are proud to offer the largest selection of SMWS bottlings in Australia by the dram to member and non-members. Prior to the outbreak of COVID-19 Whisky & Alement were able to stock every bottling from every outturn but we now have to tighten our selection a little and may not carry every dram for a while. We ask for your understanding if your bottling isn't available.

THE NEVER ENDING CASK

The Never Ending Cask is a collaboration between The Scotch Malt Whisky Society and Whisky & Alement that allows whisky enthusiasts to try a dram directly from the barrel. This is a unique experience and unlike any bottled whisky.

The initial fill was from a single Islay distillery. It has been finished in our 20 litre sherry cask for over 5 years and comes to you as a cask strength blended malt.

Please take time with this dram as it needs a considerable amount of time to breath. Some cask sediment may appear in your dram, this is completely normal and no cause for alarm.
