WHISKY TASTING FLIGHT "LET THE HOUSE CHOOSE"

4 x 15ml whiskies

Allow our world class bar team design a tasting to suit your taste and interest with our Whisky Tasting Flight. Name your preferences: whisky type (say Bourbon or Scottish single malt), region (say Scotland or Australia), cask type (say ex Bourbon or ex Marsala cask) or flavour profile (say viscous and chocolatey or sweet tropical fruits)? Place your request when ordering and our team will customize a tasting paddle (aka whisky flight) to ensure you learn and taste something new every time.

We believe in being hospitable and we love talking whisky. Expect your barman/woman to stick around for a chat to explain and discuss the whiskies that he or she has selected for you.

Available for individuals or groups.

THE LARGEST ARCHIVE ON POUR IN AUSTRALIA

Since 2012, Whisky & Alement have worked closely as a partner bar of the Scotch Malt Whisky Society. We are proud to offer the largest selection of SMWS bottlings in Australia by the dram to member and non-members. Prior to the outbreak of COVID-19 Whisky & Alement were able to stock every bottling from every outturn but we now have to tighten our selection a little and may not carry every dram for a while. We ask for your understanding if your bottling isn't available.

THE NEVER ENDING CASK

The Never Ending Cask is a collaboration between The Scotch Malt Whisky Society and Whisky & Alement that allows whisky enthusiasts to try a dram directly from the barrel. This is a unique experience and unlike any bottled whisky.

The initial fill was from a single Islay distillery. It has been finished in our 20 litre sherry cask for over 5 years and comes to you as a cask strength blended malt.

Please take time with this dram as it needs a considerable amount of time to breath. Some cask sediment may appear in your dram, this is completely normal and no cause for alarm.
