## PEATED

**HAKUSHU 18 YEARS "PEATED MALT"** Celebrating 100 years of Suntory - - 48% 327

While Hakushu single malt is released as a peated whisky every year, they produce a varying scale of peated spirit destined to release at different ages, so the peat level is consistent throughout the range. This release is spirit that was peated at a higher level to reach a higher age, although it reached maturity much earlier. Perfect to celebrate a century of Japanese whisky.

**(LAPHROAIG) SECRET ISLAY DISTILLERY 31 YEARS** Ex-hogshead by the Whisky Agency 1990 51.2% 111

Specially bottled for the Chinese market, this 1 of only 214 bottles released globally. Laphroaig is a well-known brand however it is not very common to see a Laphroaig released at this age. As Laphroaig ages this loses its heavy peat flavours and becomes more fruity with lighter smoke.

**LONGROW 21 YEARS** Matured in a 1<sup>st</sup> fill sherry hogshead - - 40.5% 78

Distilled at Springbank and named in honour of the long closed Longrow distillery, that closed in 1896. This is Springbank's peatiest style of whisky. The barley is smoked for 48 hours using 2 parts wet peat and one part dry. Only 30,000L of this spirit is made each year.

**OCTOMORE 11 YEARS** 1<sup>st</sup> bourbon cask, Dramfool's Jim McEwan Signature 2011 61% 69.5

**PORT CHARLOTTE 13 YEARS** 1<sup>st</sup> fill bourbon cask, Dramfool's Jim McEwan Signature 2009 62.9% 69.5

This single cask expression was hand selected by the legendary distiller, Jim McEwan, for Dramfool. This 13-year-old show casks Bruichladdich's medium peated whisky. At a ppm level of 40, this whisky is as hits as heavy as Laphroaig and Lagavulin.

**YAMAZAKI "PEATED MALT"** Tsukuriwake series, 2022 edition - - 48% 75.5

Released as part of a limited 4 bottle collection released in 2022 to celebrate 30 years of the Yamazaki 12 year old. This collection show cases the components of Yamazaki 12 year old, Yamazaki does a limited run of peated spirit each year, it is rare to be able to try this spirit on its own.

**SMWS 53.389 "GOODNIGHT AND JOY" 30 YEARS** Matured in a 1<sup>st</sup> fill ex-sherry butt 1991 55.5% 115.5

This big bold Islay whisky is relic of the past. The new spirit of this distillery is very different compared to that of it past. "Goodnight and Joy" is an earthy coal smoke whisky of yesteryear.

## THE LARGEST ARCHIVE ON POUR IN AUSTRALIA

Since 2012, Whisky & Alement have worked closely as a partner bar of the Scotch Malt Whisky Society. We are proud to offer the largest selection of SMWS bottlings in Australia by the dram to member and non-members. Prior to the outbreak of COVID-19 Whisky & Alement were able to stock every bottling from every outturn but we now have to tighten our selection a little and may not carry every dram for a while. We ask for your understanding if your bottling isn't available.

## THE NEVER ENDING CASK

The Never Ending Cask is a collaboration between The Scotch Malt Whisky Society and Whisky & Alement that allows whisky enthusiasts to try a dram directly from the barrel. This is a unique experience and unlike any bottled whisky.

The initial fill was from a single Islay distillery. It has been finished in our 20 litre sherry cask for over 5 years and comes to you as a cask strength blended malt.

Please take time with this dram as it needs a considerable amount of time to breath. Some cask sediment may appear in your dram, this is completely normal and no cause for alarm.
