This style of single malt whisky has not been made at versatile Loch Lomond since 2000. Making this whisky a relic of their past and unlikely to be seen again.

REDBREAST 27 YEARS "DREAM CASK; PORT TO PORT EDITION" - - 56.2% 184

Made up of two casks, the first laid down in 1994 and re-casked in a ruby port pipe in 2000. The second was laid down in an ex-bourbon cask in 1995 and rested for 27 years. Both were then combined for a further maturation in a Tawny port pipe.

WILLET STRAIGHT BOURBON 10 YEARS - - - 2012 53.4% 63
 Aged in hand selected virgin white oak barrels for 10 years, this Willet is an Australian exclusive of only 184 bottles. Bourbons over the age of 10 years are hard to come by, as it is easy to over extract oak flavour from virgin wood.

YAMAZAKI "PUNCHEON" Tsukuriwake series, 2022 edition - - 48% 75.5
 Released as part of a limited 4 bottle collection released in 2022 to celebrate 30 years of the Yamazaki 12 year old. This collection show cases the components of Yamazaki 12 year old, this release was matured in ex-bourbon puncheons, a larger cask allowing for longer maturation of spirit.

This expression showcases the elegance in the blending at Suntory, with the impressive breadth of spirit styles, they brings these components together to showcase a perfect expression of Japanese whisky.

SMWS 12.62 "HEAVEN-SENT" 31 YEARS Finished in a 1st fill ex-P.X. butt 1989 57.9% 82
 Using barley malted on their own malting floors, this Speyside whisky originally was aged in an oloroso butt for 29 years before being transfer to a fresh Pedro Ximenes to give it a rich, full flavour.

SMWS 50.116 "SUN-KISSED ISLAND PARADISE" 31 YEARS 2nd fill ex-bourbon barrel 1990 45.8% 94.5
 Same Distillery as above, this distillery was purchased by Australian, David Prior, in 2015. This cask incredibly lost over 16% of it ABV over its 31 years.

SMWS 141.2 "PROWLING THE UNDERGROWTH" 6 YEARS 1st fill ex-bourbon barrel 2015 60.6% 48.5
 This is an unusual single malt as it comes from a Danish distillery. Every summer the founder Jens-Erik hikes into the mountains and collects nettles, which they used to smoke the malted barley used in their single malt.

PEATED

HAKUSHU 18 YEARS "PEATED MALT" Celebrating 100 years of Suntory - - 48% 327
 While Hakushu single malt is released as a peated whisky every year, they produce a varying scale of peated spirit destined to release at different ages, so the peat level is consistent throughout the range. This release is spirit that was peated at a higher level to reach a higher age, although it reached maturity much earlier. Perfect to celebrate a century of Japanese whisky.

(LAPHROAIG) SECRET ISLAY DISTILLERY 31 YEARS Ex-hogshead by the Whisky Agency 1990 51.2% 111
 Specially bottled for the Chinese market, this 1 of only 214 bottles released globally. Laphroaig is a well-known brand however it is not very common to see a Laphroaig released at this age. As Laphroaig ages this loses its heavy peat flavours and becomes more fruity with lighter smoke.

LONGROW 21 YEARS Matured in a 1st fill sherry hogshead - - 40.5% 78
 Distilled at Springbank and named in honour of the long closed Longrow distillery, that closed in 1896. This is Springbank's peatiest style of whisky. The barley is smoked for 48 hours using 2 parts wet peat and one part dry. Only 30,000L of this spirit is made each year.

PORT CHARLOTTE 13 YEARS 1st fill bourbon cask, Dramfool's Jim McEwan Signature 2009 62.9% 69.5
 This single cask expression was hand selected by the legendary distiller, Jim McEwan, for Dramfool. This 13-year-old show casks Bruichladdich's medium peated whisky. At a ppm level of 40, this whisky is as hits as heavy as Laphroaig and Lagavulin.

YAMAZAKI "PEATED MALT" Tsukuriwake series, 2022 edition - - 48% 75.5
 Released as part of a limited 4 bottle collection released in 2022 to celebrate 30 years of the Yamazaki 12 year old. This collection show cases the components of Yamazaki 12 year old, Yamazaki does a limited run of peated spirit each year, it is rare to be able to try this spirit on its own.

THE LARGEST ARCHIVE ON POUR IN AUSTRALIA

Since 2012, Whisky & Alement have worked closely as a partner bar of the Scotch Malt Whisky Society. We are proud to offer the largest selection of SMWS bottlings in Australia by the dram to member and non-members. Prior to the outbreak of COVID-19 Whisky & Alement were able to stock every bottling from every outturn but we now have to tighten our selection a little and may not carry every dram for a while. We ask for your understanding if your bottling isn't available.

THE NEVER ENDING CASK

The Never Ending Cask is a collaboration between The Scotch Malt Whisky Society and Whisky & Alement that allows whisky enthusiasts to try a dram directly from the barrel. This is a unique experience and unlike any bottled whisky.

The initial fill was from a single Islay distillery. It has been finished in our 20 litre sherry cask for over 5 years and comes to you as a cask strength blended malt.

Please take time with this dram as it needs a considerable amount of time to breath. Some cask sediment may appear in your dram, this is completely normal and no cause for alarm.
