TASTING BOARDS

Allow our world class bar team design a tasting to suit your taste and interest with our Whisky Tasting Flight. Name your preferences: whisky type (say Bourbon or Scottish single malt), region (say Scotland or Australia), cask type (say ex Bourbon or ex Marsala cask) or flavour profile (say viscous and chocolatey or sweet tropical fruits)? Place your request when ordering and our team will customize a tasting paddle (aka whisky flight) to ensure you learn and taste something new every time.

We believe in being hospitable and we love talking whisky. Expect your barman/woman to stick around for a chat to explain and discuss the whiskies that he or she has selected for you.
