THE BALVENIE 27 YEARS "DISTANT SHORES" Caroni rum cask finish - - 48% 172.5

One of the rarest expressions from Balvenie, this single malt whisky has spent 7 long years in one of the world's most sought-after Rum barrels, Caroni. Caroni Trinidadian Rum distillery was closed in 2002, so there is only a limited supply of barrels left.

CAPERDONICH 21 YEARS Matured in a refill hogshead, by Whisky Sponge 2000 55% 59.5

Originally built in 1898 and known as Glen Grant #2. The distillery was mothballed in 1902, only to be reopened and renamed Caperdonich in 1965. Unfortunately, it was mothballed again in 2002 and was demolished in 2011. Due to this, there is only a limited number of casks left.

GLENDRONACH 31 YEARS SINGLE CASK Refill Oloroso butt by North Star 1991 44.4% 183

HAKUSHU 18 YEARS - - - - 43% 123

Hakushu situated in the Japanese alps 2,300 meters above sea level. Utilising pristine waters and it's microclimate, Hakushu does the work of 10 distilleries. Using a combination different fermentation processes, still designs and casks to create a rich flavour profile. Only a limited amount of Hakushu 18 year old comes to Australia each year. With tasting notes of Wakame seaweed, fragrant pine needles, lemon leaf and spearmint marshmallows.

THE LARGEST ARCHIVE ON POUR IN AUSTRALIA

Since 2012, Whisky & Alement have worked closely as a partner bar of the Scotch Malt Whisky Society. We are proud to offer the largest selection of SMWS bottlings in Australia by the dram to member and non-members. Prior to the outbreak of COVID-19 Whisky & Alement were able to stock every bottling from every outturn but we now have to tighten our selection a little and may not carry every dram for a while. We ask for your understanding if your bottling isn't available.

THE NEVER ENDING CASK

The Never Ending Cask is a collaboration between The Scotch Malt Whisky Society and Whisky & Alement that allows whisky enthusiasts to try a dram directly from the barrel. This is a unique experience and unlike any bottled whisky.

The initial fill was from a single Islay distillery. It has been finished in our 20 litre sherry cask for over 5 years and comes to you as a cask strength blended malt.

Please take time with this dram as it needs a considerable amount of time to breath. Some cask sediment may appear in your dram, this is completely normal and no cause for alarm.
