

WHISKY & ALEMENT

WHISKY MENU

October 2026

Choose your glass & pour size

. Enjoy your whisky just the way you like it! All prices displayed are for 30ml pours served in tasting glasses, however 15ml tasting pours and tumblers with ice and/or water are available upon request

Smoky & Peaty

Smokiness may vary greatly between whiskies, if you're fond of certain peaty whiskies, ask our team for details when ordering

Private Tastings

Our private tasting room is located directly upstairs and is available for hire 7 days a week. For full info & bookings, head to the 'Private Whisky Tastings' page on our website whiskyandale.com.au

Dealer's Choice Whisky Flight

Roll the dice with a tasting board of 4 x 15ml whiskies chosen by our team for only \$60. Name your favourite flavour, distillery and/or whisky style & we'll do the rest!

A quick view of the menu

We categorise the menu by style first, then region. Here's the order:

Single malt + other

Pot still whiskey

Bourbon & Corn whiskey

Rye whiskey

Overwhelmed?

Ask us for a recommendation!

Our knowledgeable team have tasted over 150,000 whiskies since we opened in 2010! Ask us for a recommendation at the bar, or flip to our shortlist on the next page to pick by flavour

THE LARGEST ARCHIVE ON POUR IN AUSTRALIA

SMWS members receive 15% off all SMWS drams!

Since 2012, Whisky & Alement have worked closely as a partner bar of the Scotch Malt Whisky Society. We are proud to offer the largest selection of SMWS bottlings in Australia by the dram to member and non-members, stocking new releases from every monthly Outturn.

THE NEVER ENDING CASK

The Never Ending Cask is a collaboration between The Scotch Malt Whisky Society and Whisky & Alement that allows whisky enthusiasts to try a dram directly from the barrel. This is a unique experience and unlike any bottled whisky.

The initial fill was from a single Islay distillery. It has been finished in our 20 litre sherry cask for over 12 years and comes to you as a cask strength blended malt.

Please take time with this dram as it needs a considerable amount of time to breath. Some cask sediment may appear in your dram, this is completely normal and no cause for alarm.
